Sara's clients include insurers, businesses, individuals and public bodies. Some examples of how she has helped these clients are:

- Assisting clients with estate and probate litigation, trust variations, as well as legal representative applications;
- Assisting individuals and businesses, large and small, in commercial disputes including shareholder disputes and oppression remedy litigation;
- Assisting clients with provincial and federal environmental law matters, including compliance, applications, and litigation;
- Assisting clients with legal issues surrounding privacy, freedom of information, and access to information; and
- Assisting individuals in property disputes.
