The word 'cannot' is one that does not exist in Jennifer's vocabulary. A problem solver by nature, she does not get bogged down by details and applies her tenacity to any problem or issue. As the manager of administration for our Fredericton office, Jennifer uses past challenges she has faced to tackle today's ones head-on. With her can-do attitude, she is always willing to roll up her sleeves to get the job done and never gives up in the face of adversity.
